

HLT52015

DIPLOMA OF REMEDIAL MASSAGE

DIP

GET HANDS-ON WITH YOUR CAREER

THE HLT52015 DIPLOMA OF REMEDIAL MASSAGE WILL PREPARE YOU TO ENTER THE ALLIED HEALTH INDUSTRY WITH THE KNOWLEDGE & SKILLS TO EFFECTIVELY MANAGE THE WELFARE OF YOUR CLIENTS.

You will achieve a high level of understanding of anatomy and physiology, equipping you to physically assess and treat clients. In addition, you will learn how to grow your relationship-building skills for successful interaction with clients and with other health care practitioners.

Upon graduating, you will use your skills and knowledge to offer advanced manual treatment for those suffering from sports or work-related injuries.

The course is offered in small learning workshops, giving students the opportunity to interact with clients, assessing their needs and interpreting the results to decide on the best course of treatment to restore healthy joints and muscle function.

Who would be suited to this course?

Individuals interested in the health industry working as Remedial Massage Therapists. Many students may see this as a pathway to Myotherapy or higher education for the rapidly growing Health Services industry.

Career Outcomes

With the HLT52015 Diploma of Remedial Massage, you can work in:

- › Elite Sporting Clubs
- › Multidisciplinary Health Practice
- › Health Retreats/Resorts and Cruise Ship Employment
- › Small Business (Massage Clinic Owner)

Key Areas of Study

The HLT52015 Diploma of Remedial Massage explores a range of new and exciting techniques including myofascial release, joint mobilisations, muscle energy techniques and positional release.

› Remedial Massage

Goal-oriented form of massage used as a treatment in its own right, or used in conjunction with other fields like physiotherapy and chiropractics to assist in the healing process.

› Sports Massage

Branch of sports medicine concerned with the preparation, recovery and maintenance of optimal athletic performance.

› Business Management

Understanding best business practices, management and ethical behaviour in the workplace.

Clinical Experience

Students undertake clinical hours at VFA Learning Clinic. These hours are completed under the direct supervision of our qualified practitioners providing students with the opportunity to develop clinical skills in patient assessment and management. Students will be required to complete 200 Practical hours:

- › 150 supervised
- › 50 non-supervised

VFA will assist with organising the supervised clinic hours.
